This is a fun and easy treat to make for you, family or friends.

Servings: 63 candies

Prep Time: 10 minutes

Bake Time: 4 minutes @ 250 degrees

Chill: 10 minutes or until set

Ingredients:

- 63 miniature pretzels
- 1 package (13 ounces) Rolo candies
- 63 pecan halves

- ◇ **Tip:** If I am making several candy treats I prepare each recipe to the point of dipping or drizzling. This allows for chilling time and bringing the fruit or food item to room temperature prior to working with the melted chocolate or candy.

Note: Keep the recipe handy for when the grandkids come to visit. It is easy for them to make and you can create an assembly line. My grandkids love helping me in the kitchen.

Instructions:

1. Line baking sheets with foil.
2. Place pretzels on foil.
3. Top each pretzel with a candy.
4. Bake at 250 for 4 minutes or until candies are softened (candies will retain their shape).
5. Immediately place a pecan half on each candy and press down so candy fills pretzel.
6. Cool slightly then refrigerate for 10 minutes or until set.

To Serve:

- ◇ A little chocolate or candy drizzle is nice but not necessary.
